

## Notice: Scheduled Maintenance

Its that time! In order to make preparations for the final upgrades, Astrea will be working to replace power supplies to each of the nodes in the Three Lakes Area! The work in your area will take place on ***Tuesday, March 16th.***

Work is anticipated to begin at 7:30 AM CST.

Your services will drop out for about 5 minutes at the beginning of the maintenance. You will then regain service for about 30 to 90 minutes.

Services will then drop out again for about 5 minutes as they cut over the new power supply.
